

# Design your own Apprenticeship

If these apprenticeship frameworks and courses don't exactly meet your organisational needs, we can work with you to create funded programmes bespoke to your Industry using the 'Innovation Code' just tell us what you want and we will try to make it happen!

## **Bespoke Courses**

The Grimsby Institute can prepare a range of practical skills based courses working with our chefs and hospitality department, through to programmes from our workforce development activities. Programmes such as:

- Product awareness and preparation
- Handling meat and fish products
- Product species identification
- Meeting customer expectations
