

Seafood Training Network Wales Goals

2015 to 2016

1. More than 20 Employers to join Network

- Expand the membership of the Network to 20 or more employers by October 2015.
- Employer members are at the heart of the Network as their feedback and comments are essential if the Network is to meet the needs of the fish and shellfish industry throughout Wales.

2. 100 Apprentices registered

- Register 100 fish and shellfish apprentices at levels 2 and 3 within 12 months of apprenticeships becoming available throughout Wales.

3. Six Industry Workshops delivered

- Workshop topics to address key business opportunities and issues.
- To include 2 workshops on apprenticeships.
- More than 60 attendees in total.

4. A Training Course Programme for Wales

- Publish a programme of course dates, offering each type of training course to industry in South and North Wales.
- To develop new training courses as required.

5. Facilitate educational activities for colleges and schools

- Colleges and schools to be supported with 10 seafood educational events.
- 100 students or pupils to attend these events in total.
- 30 college / school staff supported with CPD activities.
