

You are invited to Blackpool and The Fylde College for the Fish and Shellfish Traineeship Programme Event

Illuminate Training Solutions (part of the Blackpool and the Fylde College Group) in Partnership with Seafish and the Seafood Training Academy would like to invite you to an event.

Over the years Fleetwood has seen a decline in the employment of young people in the fish and shellfish industry. The College have been aware of this and as such will be launching a bespoke Traineeship Programme for 16 – 24 year olds to help boost recruitment with fish processing, fishmongering and fish frying employers.

This will be a 15 week pre-employment / work readiness programme encompassing the following:

- Identifying fish, preparing & cooking fish
- Processing
- Marketing
- Fish handling
- Knife skills/filleting
- Fish quality assessment
- Packaging
- English and maths
- Searching for a Job
- Workskills - jobs in seafood
- Customer service
- Rights & Responsibilities at work

The Traineeship Programme will not be possible without the involvement of local employers such as yourselves in the work based programme. There is no financial outlay required from participating employers, so come along and find out how your business can benefit from the programme.

Location: Blackpool and The Fylde College (Bispham Campus) go to main reception on arrival

Date: 28th June 2016

Time: 13:30 till 16:30

Please reply to: gary.parker@blackpool.ac.uk

Refreshments will be provided at the event.

I look forward to hearing from you.
