

Seafish Onshore Trainer Approval Process

2016 Onwards (for guidance only)

1. New Applicants

Notes:

Seafish aims to encourage the delivery of high quality, cost effective training. This does not require Seafish to approve any or every individual who may meet the approval criteria for any particular programme if doing so might be detrimental (in the opinion of Seafish) to this aim.

3: simple letter or email with brief CV

6: Seafish form, detailed CV, certificate copies (and references may be required).

8: May deliver courses with approval of Seafish. Purpose of these courses is to provide evidence of competent delivery.

10: Initially approval is for 3 months to 1 year subject to satisfactory performance. Approval letter will outline other conditions.

11: Details will vary from trainer to trainer.
