Would you like to arrange for an adviser to contact you to discuss the benefits of qualifications and apprenticeships, how a fish and shellfish qualification/apprenticeship could benefit your business? Or, would you like to register your intention to participate in a fish and shellfish qualifications programme and/or provide an opportunity for an existing member of staff, or a new recruit to undertake an apprenticeship?

I would like to discuss the benefits, please have an adviser telephone me

The enquiry is for existing employees. Their job roles are:-

No. of employees in the business:.....

The enquiry is for one or more new entrants, yet to be recruited: Their job role(s) would be:-

The enquiry is for me. My job title is:

We will contact you as soon as possible by telephone and email. In the meantime there is information available at www.seafoodacademy.org on apprenticeships, including general information and job specific leaflets.

Please return this form to academy@seafish.co.uk, or post to Onshore Training Manager, Seafish, 7 Earls Court, Priory Park East, Hull HU4 7DY or telephone 01482 486482
