

JOINING INSTRUCTIONS FOR

Two Day Fish Smoking Course – Grimsby 7th and 8th July 2015

Welcome to the Seafish Two day Fish Smoking Course course.

The training course will be delivered at the Seafood Skills Training School, Grimsby Seafood Village, Grimsby, DN31 3SX, by Ivan Jaines White, a Seafish approved trainer.

The course will be highly participative and will involve a significant period in the **practical training room** salting and brining fish and operating the smoking kiln. Much of the 'practical theory' will be delivered here.

Other sessions will be delivered in the **conference room** of the School and this will include taste panel assessments as well as the trainer led discussions that are a key feature of the course.

Participants must be able to abide at all times by the food safety and health & safety rules that apply at the course venue and as defined by the course trainer. You may need to sign a health declaration before starting on the course. An attendance certificate will be issued by Seafish.

I look forward to meeting you all on the day.

Lee Cooper
